LANDMARK MOU SIGNING

Witness the landmark Memorandum of Understanding signing ceremony by the presidents of the 4 world professional organisations to mark the recognition and distinction of each profession towards collaborative fight against climate crisis. Hear their sharing and insights in the panel discussion on what it takes to develop circular cities. With the historic and landmark Memorandum of Understanding (MOU) established by the four global organisations, the immediate call to action is the founding of the **Circular Cities Network**. These 4 world professional organisations serve as the Founding Organisations.
